macFABhome's polyvinyl based fabric is both durable and fashionable. Our innovative use of the basket weave has the visual interest of fabric and the strength of a synthetic. Our material is stain resistant, super strong and very easily cared for. Ideally suited for indoors or outdoors.

About macFABhome

macFABhome is pleased to offer a complete line of elegant and versatile products designed with everyday in mind. Starting from the belief that life is complicated enough, we have developed solutions for everything from entertaining with ease and beauty, to storing away those things which clutter our spaces and minds. From the kitchen to the garden, from the office to the spa - macFABhome has something for all areas of home and life: *Eat, Travel, Bathe, Live, Grow!*

Our innovative use of woven polyvinyl brings both style and practicality to everything we offer. With the visual interest of natural fibers and the strength and durability of a synthetic, our entire line is stain resistant, washable and ideally suited for indoor and outdoor use. The wicker and sisal weaves of our material bring textures that range from warm and natural to sleek and modern. Designed and manufactured in Canada, macFABhome is simple, modern style for easy, organized living.

Care Instructions

Polyvinyl: The fabric has the visual interest of a woven fabric and the durability of a synthetic. Spun polyester yarn is coated with a waterproof PVC to create a beautiful and super strong fabrication. The material is UV protected for long life. For complete care instructions, please visit our website at www.macFABhome.com.

macFABhome is distributed exclusively in Canada by The Tate Group.
